Harry Merlo, Matt Miller and Stéphan Nadalié

**Winemaking Director** Mark Beringer

#### History

And so forth and so on...

In 2008, five friends since the early 1970s, formed Et Cetera Wine Company. With varying wine industry backgrounds and areas of expertise, the five have joined together to produce wines of exceptional quality from the great wine regions around the world. The intent of Et Cetera Wine Company is to create what the friends were brought up around - great wine value. Their story is not of succession or nostalgia. It is a story of doing what they know, and doing it well.

#### Wine Specifications

Alcohol	13%
T/A	0.52 g/100ml
pH	3.37
Residual Sugar	0.62 g/100ml

#### Vintage

A year of extremes : heavy rain in winter, early budbreak, severe frosts, extreme temperatures during bloom, strong winds in May, and smoke from wildfires in June created a harrowing year for growers, but warm days and cool nights in summer allowed the lighter crop to ripen without further trouble.

#### Vinification

A long, cool, slow ferment in stainless steel tanks retained the bright varietal aromatics.

#### Winemaker's Notes

##### Overall Impression

Clean and refreshing, with juicy fruit.

##### Aroma

Forward pineapple, wet stone, lime, and Meyer lemon.

##### Palate

Pineapple and citrus, with juicy entry and lingering mineral note.

##### Serving Suggestions

Enjoy with appetizers (crostini with olive tapenade, goat cheese) or light courses such as salad or seafood.
